

New Insights on FinTech Sustainability

Thursday 8th July 2021 @ 10:00 - 11:30 (BST) | Zoom

DLF is collaborating with Clifford Chance and Rise, created by Barclays to bring together a collaborative innovation network of pioneering FinTech startups and large enterprise organisations to accelerate collaboration, navigate complex regulatory environments, and unleash disruptive innovation.

SPEAKER BIOS

Victoria Silverman - Business Communications Director, London Stock Exchange Group –

A business communications director at London Stock Exchange Group (LSEG), Victoria Silverman is published in The Guardian, Red magazine and other publications. Covering sustainability, economics and business strategy, she is a speech writer to the LSEG CEO and leadership team, winner of the Plain English Campaign award three times, and on the International Association of Business Communicators' board. In her spare time, Victoria is an advisor to the charity Urban Synergy, unpaid Uber driver to two sons and a wanna-be novelist.
